Holiday Home Work

for Summer Vacation 2017

Class : VI

General Instructions :

→ Present your work neatly.

→ Questions should be attempted in a sequential manner and a line to be drawn after each question.

→ Holiday Home Work should be done on a separate notebook (apart from chart and models)

→ Holiday Home Work is fun mixed with learning. So try to explore yourself and make most creative and attractive projects and models by your own.

Jay Kay Public School
