

SUMMER IS THE ANNUAL PERMISSION SLIP TO BE LAZY...

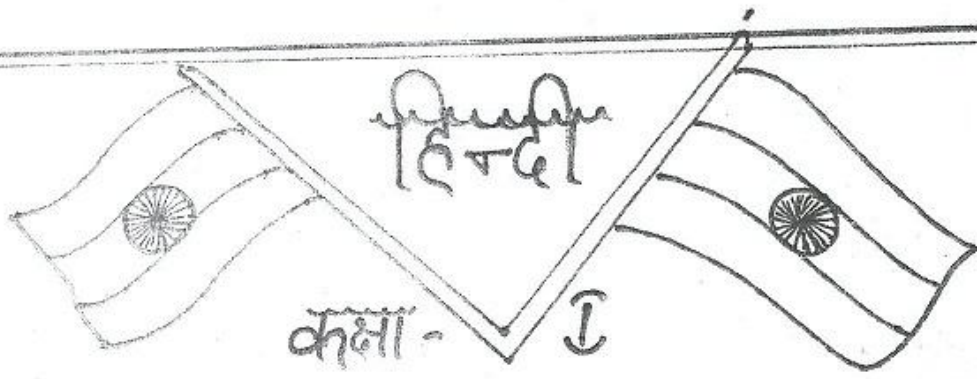

NAME: _____

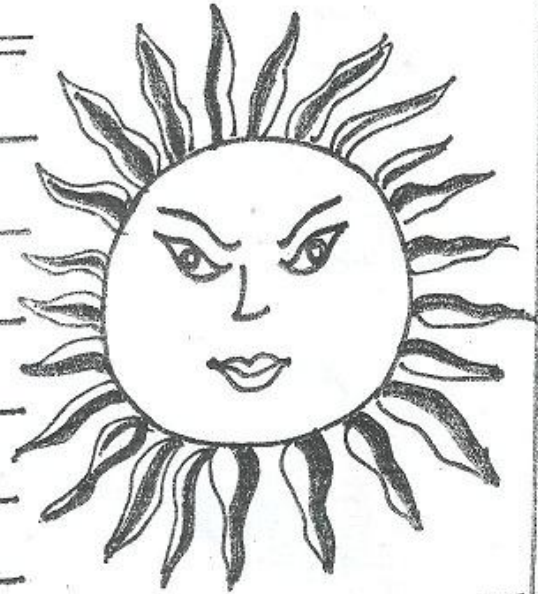

Dear Parents,

Summer has come & so the summer vacations. It is the time for kids to have fun & to be lazy, but the kids should be encouraged to complete their homework. After all 'REVISION' is very important so that they must not FORGET what already taught. Kindly ensure that ward does his/her homework independently, as the work has been given keeping in mind ward's overall development. It should be done very neatly as it will be graded.

- * School will re-open on 3rd July 2017.
- The exercise book sent home should be kept neatly and if pages are loose or torn, they should be stick properly.
- * The pictures which are to be stuck in the homework sheet should be pasted neatly and well-labelled.
